

diamond

D20-GF

FEATURES

- GBL-Free
- Low smell
- Excellent outdoor durability
- Superior abrasion and chemical resistance
- Supported by NUtec Digital's Ink Delivery System Warranty

OVERVIEW

Diamond D20-GF is a premium eco-solvent ink and is designed for use on the Spectra Starfire print head.

The Diamond D20-GF formulation is GBL-Free and offers superior abrasion and chemical resistance.

Diamond D20-GF ink provides excellent media compatibility across a broad range of self-adhesive and flexible substrates.

Provided the inks are used in regular applications, using suitable substrates, the printed images will last for up to two years.
