

cleaning solution

MF+

FEATURES

- General Maintenance
- Conversions
- Storage Fluid

OVERVIEW

NUTec's MF+ is a cleaning and flushing solution to be used in conjunction with NUTec's Wide Format and Superwide Format Solvent digital printing inks. Note that no other cleaning/flushing solution is to be used with NUTec inks and The MF+ cleaning

solution is not to be used with non-NUTec inks.

For information regarding NUTec's recommended flushing and conversion procedures please refer to technical document GN007 found at your nearest dealer.
